coffee table 95 : light oak + terrazzo nougat

coffee table 70 : light oak + terrazzo warm grey

Designed by Ashley Every

Product Description

Native table by Australian designer Ash Every celebrates the harmony between two tactile, natural materials. A solid disc of terrazzo marble is supported by expertly carved American oak legs. The simple forms with soft curves and hard edges work together to create a timeless look. As such, the Native table will sit comfortably amongst a wide variety of settings and styles.
